

I'm against Sinclair Broadcasting's forcing their stations to air an anti-Kerry documentary days before the election. This is what results from uncontrolled media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Using our airwaves for political bias without disclosing who paid for it and providing equal time for opposing views is illegal. It shows how money corrupts our airwaves and diminishes our democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
